3. Click class name to go to the class
4. Submit paper: Click  after assignment name

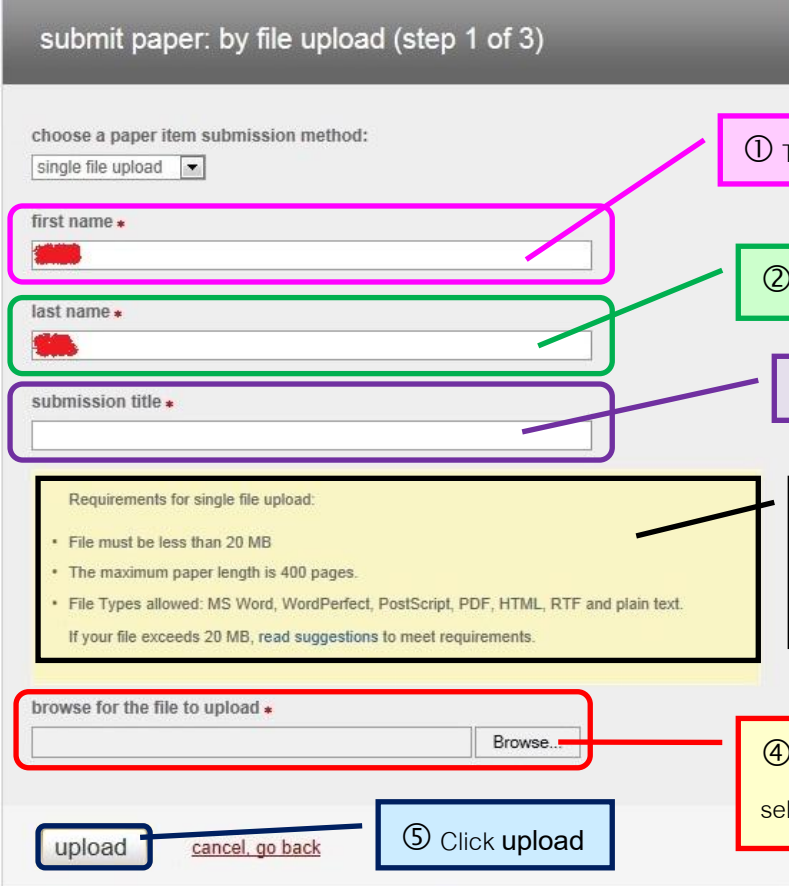

There are 2 assignments should be in the class (up to the instructor who created assignments) that are

4.1 Assignment for paper resubmission and no repository

4.2 Assignment for once paper submission and institution paper repository: Submit a finished paper to check similarity between other's papers and the finished paper.

### Upload file

Step 1:

The screenshot shows a form titled "submit paper: by file upload (step 1 of 3)". It includes a dropdown menu for "choose a paper item submission method:" set to "single file upload". There are three text input fields: "first name \*", "last name \*", and "submission title \*". Below these is a yellow box with "Requirements for single file upload:" containing bullet points: "File must be less than 20 MB", "The maximum paper length is 400 pages.", and "File Types allowed: MS Word, WordPerfect, PostScript, PDF, HTML, RTF and plain text." Below the requirements is a "browse for the file to upload \*" field with a "Browse..." button. At the bottom are "upload", "cancel, go back", and "Click upload" buttons. Five callout boxes with numbered circles point to: 1. The first name field, 2. The last name field, 3. The submission title field, 4. The "Browse..." button, and 5. The "Click upload" button. A separate box on the right lists "Requirements for file upload" with the same two bullet points as the form's requirements box.

Step 2: Click 

Step 3: When user did the correct steps, the screen would be shown as follow.

 Your submission was **successful**. This is the digital receipt for your paper. Only the first page of the document is included in the digital receipt.

Click  [go to portfolio](#) to view the Originality Report

5. When finished checking (please wait for a while), it would be shown percent under **Similarity**, click percent to view the details.
